Bardwell97@outlook.com  
07710975666

A dedicated professional with a background in computer science and extensive experience in leadership, problem-solving, and team coordination. Seeking a versatile role that leverages my technical knowledge and management skills in a more hands-on, practical environment. Adaptable and motivated, with experience in both corporate and high-stress team settings.

## Skills

Team Leadership | Problem Solving | Critical Thinking | Adaptability | Resilience | Communication

## Work Experience

**Senior Software Engineer**      **Oracle**      2023 - 2024

- Led a team of engineers through fast and critical work with many blockers.
- Standardised workflows, improving efficiency and reducing operational costs.
- Mentored engineers, fostering a collaborative and innovative work environment.

**Software Engineer**      **Oracle**      2021 - 2023

- Developed scalable solutions for high-traffic applications, improving performance and user experience.
- Coordinated with cross-functional teams to deliver projects on time and within budget.
- Acted as lead UI developer, guiding less experienced team members.

**Officer Cadet**      **Cambridge University Officers' Training Corps**      2020 - 2021

- Developed leadership, teamwork, and communication skills through field exercises and practical training.
- Conducted patrols, coordinated small unit operations, and managed high-stress situations effectively.
- Fostered discipline and resilience, preparing for physically and mentally demanding tasks.

**Data Analyst (Temp)**      **Amazon**      2019 - 2020

*\*Volunteered 8 additional hours per day with the Software Team for free experience*

- Optimized data processing pipelines, significantly reducing manual workload and operational costs.
- Facilitated communication between technical teams and management, improving project outcomes.
- Contributed to technical design discussions, enhancing project quality.

## Education

**2:1 BEng (Hons) Computer Science**      **Anglia Ruskin University**      2021
